ABOUT JAM JAM GROUP

Jam Jam Group is a customer-centric conglomerate that started its journey in 1995. From manufacturing cloth bags for seed companies, it has now diversified into Cold storage, seed processing, seed treatment, warehousing, packing & repacking, and agri-logistics.

The vision and agritechno - entrepreneurial spirit of the founders, the adoption of latest technologies, tools and state of the art facilities, and the commitment of skilled workforce have enabled the company to grow from strength to strength and win the confidence of the customers.

More than two decade of experience and unwavering perseverance in providing a reliable, economical and feasible cold chain solutions have earned the company an assailable lead and a favored status.

MISSION, VISION, AND GOALS

Our Vision

We pledge to build a customer-centric company by adopting the latest technologies and standards to fight against the agronomical and allied challenges, and help our customers and end-users prosper.

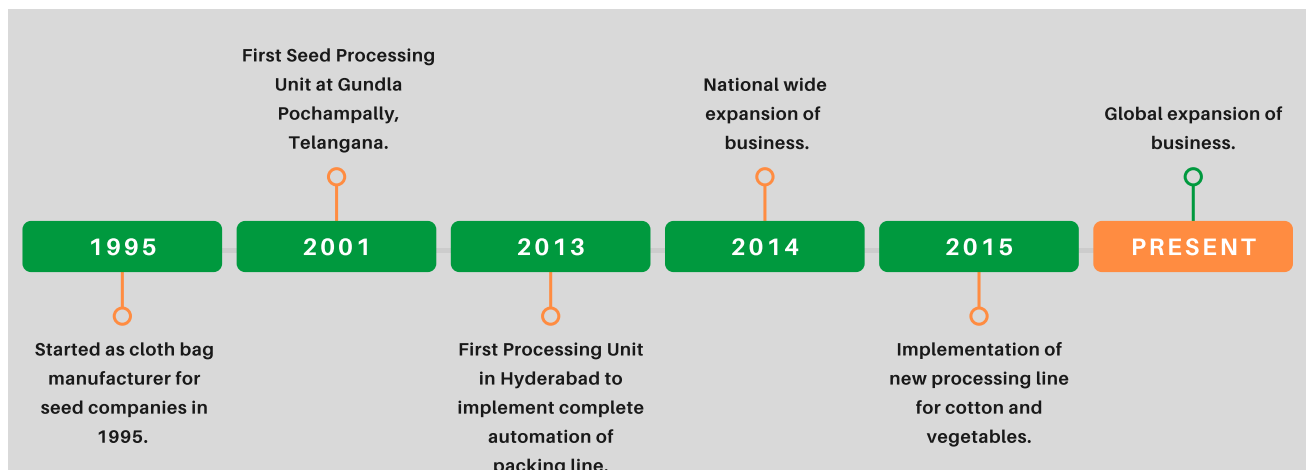

Our Mission

We strive to preserve and conserve the seed and other perishable items as per stipulated technical standards and maintain freshness, quality, and shelf-life.

Our Values

We Believe in teamwork and reward our employees for their commitment, skills and GEM (going the extra mile). We maintain transparency and integrity in all our activities, both with employees and customers.

SEED DRYER

APPROPRIATE SEED DRYING CONDITIONS

Due to improper drying and storage conditions, seeds suffer from major retarding effects. Proper drying limits the subsequent rate of seed deterioration during long term storage. Our expert team and state of art equipment at our IFCs allow our client to get proper seed drying for long-term storage while optimizing drying capacity and time.

SEED PROCESSING

OUR EXPERTISE

To know how to clean and grade seeds requires certain expertise, which Jam Jam Group has gained since its formation in 1995 and designed its IFCs with a combination of leading-edge technology, in depth experienced and broad knowledge team to meet any client needs.
